Vision for One Planet Communities

Places where it is easy,
attractive and affordable

for people to lead happy and
healthy lives

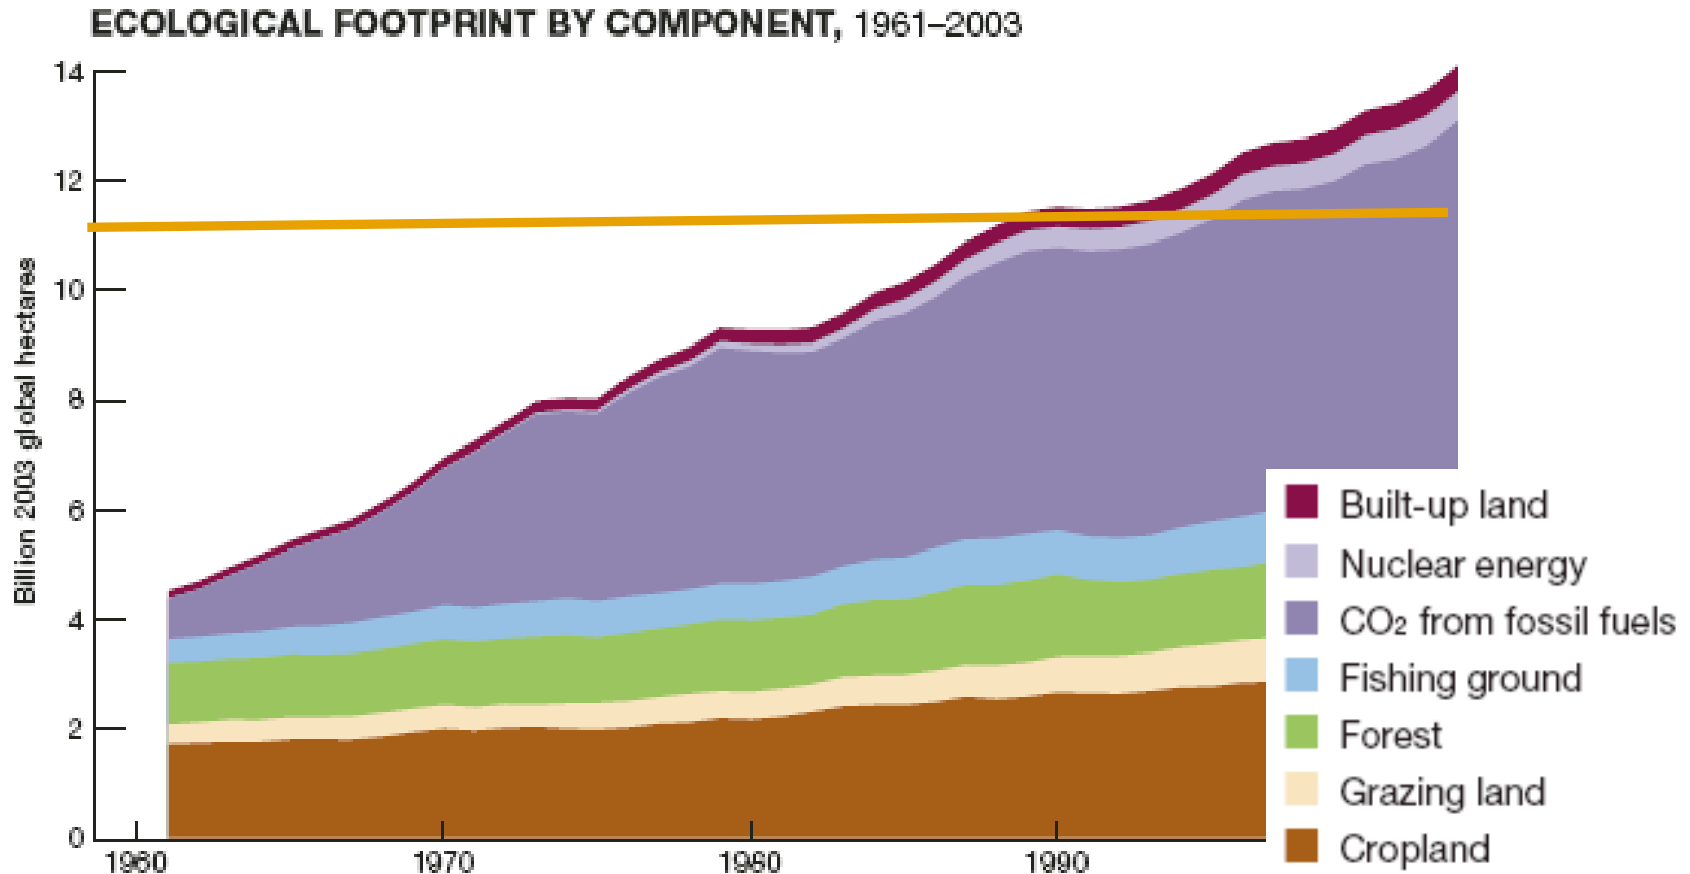

within a fair share of the Earth's
resources.

Ecological Footprint

If everyone on earth consumed as much as a the average person in the UK, we would need 3 planets to support us.

One Planet Principles

- 1 Zero carbon
- 2 Zero waste
- 3 Sustainable transport
- 4 Sustainable materials
- 5 Local and sustainable food
- 6 Sustainable water
- 7 Land and wildlife
