PERMACULTURE  
TRUST**

**Adopt a tree**

**Thank you!**

***Your donation will help our community orchards thrive***

**Brighton Permaculture Trust has planted hundreds of trees community orchards in and around Brighton & Hove. By adopting a tree you are helping us ensure that your tree gets all the care it needs to establish and grow. Every fruit and nut tree can produce food for around 100 years.**

**As well as being a home for wildlife and a place for people to enjoy, our orchards are also helping combat the climate crisis by locking away carbon.**
