Introduction to permaculture

Saturday 9 - Sunday 10 January, Stanmer

Get started

Get started in permaculture design with our [introductory course](#), or get certified with our 13-day [design course](#).

Learn eco-building

Learn to build with [cob](#), [hemp lime](#), [straw bales](#), or [rammed earth](#) and [chalk](#). Improve energy efficiency with a [green roof](#), [eco renovations](#), or [photovoltaics](#).

Garden, garden, garden!

Our gardening courses range from [mushroom cultivation](#) to [scything](#). Learn about [forest gardens](#) or how to [apply permaculture principles](#) in your garden or allotment.

EVENT

Save the date

Each autumn we host [Apple Day](#) at Stanmer Park. This fun day out for the whole family includes storytelling, tours...

[Find out more >](#)

COURSES

All about fruit trees

We offer courses on [grafting](#), [planting](#), [pruning](#), and [caring](#) for fruit trees, as well as [orchard design](#).

[Find out more >](#)

EVENT

Green architecture

Come to Brighton in March 2016 for this day of cutting-edge talks about green architecture and design.
